

Teachers for September

Our Parent/Pupil Target Setting Meetings are scheduled for 8th and 9th July. These meetings are an opportunity for parents and children to get the chance to sit down with their teacher for next year and discuss transition. This could be the types of things children might wish to achieve and to chat through anything parents would like the teachers to know about their child for the following year. We have two new members of teaching staff joining us in September. Miss MacQuarrie and Mr Sandall will be joining Team Perranporth and have already been taking part in several sessions at school in order to help settle in. The details of our teaching and support plans are below:

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Mrs Lampier and Mrs Williamson	Mrs Green	Mr Barnes	Miss Pryor	Mr Sandall	Miss MacQuarrie	Mr McGowan
Supported by	Supported by	Supported by	Supported by	Supported by	Supported by	Supported by
Miss White and Mrs Follett	Mrs Wells	Mrs Burgess	Mrs Harding	Mrs Richards	Miss Hawken	Mr Stonehouse

Mrs Laity will still form an integral part of our teaching team next year also. She will be working in a part-time capacity, providing cover and release time for teaching staff.

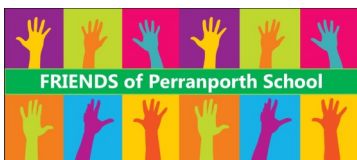

Although it's still a way off, we're already looking forward to the new academic year and we're sure you'll all join us in making Miss MacQuarrie and Mr Sandall very welcome within our Perranporth family.

Year 5 Swimming

Just a reminder next week children in Year 5 start their 2-week swimming block. Children will need to have their swimming kits each day over this period.

FOPS Meeting - Next Tuesday

Next Tuesday at 3.30pm there will be a FOPS meeting in school for any parents or family members who are able to come along. This is a great opportunity to find out more about FOPS and possibly lend some support for our events including the upcoming summer fayre.

Sports/PE T-shirts

As we begin to approach the end of the academic year we thought we would remind parents that if their child's PE t-shirt needs replacing for next year, these can be purchased from Keywear in Truro. Last year we provided a free shirt for all pupils, but this was only for the first year. We would very much like to encourage the recycling of PE shirts by sharing any outgrown shirts with younger pupils or those needing a different size. There is a Facebook group, 'Perranporth community primary school, uniform', where you can post any uniform for sale, for free or wanted!

Perranporth Community Primary School - The G.R.E.E.N. Curriculum

Growing - Relevant - Environment - Engaging - Nurture

Year 3 have supported their learning about The Rainforest with a fantastic trip to The Eden Project this week. They made excellent use of this experience by learning all about the **Environment** at Eden and what life is like inside a rainforest. The children had a marvelous time learning all about the different plants and animals that inhabit the rainforest as well as getting a first hand experience of the climate in the incredible biomes.

Environment was also the order of the day for everyone at Perranporth on Thursday this week as we recognized World Environment Day. This was a fantastic opportunity for children to learn more about the wonder of our world and how important it is for us to take good care of it. Children took part in lots of different activities including making bird feeders and nature photography too!

Breakfast Club - Earlier Start Time

Just a reminder that in response to parent feedback, after the May half term, we will be starting our morning Breakfast Club from 7.45am!

LEAP - Learning - Engaged - Aspiring - Proud

Proud Surfers

Our Year 4 and Year 5 children were quite literally LEAP learners this week as they took part in a brilliant dance workshop at the Methodist Church on Tuesday. The children learned about parables through the medium of dance and had a very Engaging Learning experience indeed! We'd like to share a huge thanks to the Methodist Church for facilitating this brilliant experience. Thank you!
