

Ofsted Report

This week we were very pleased to be able to share with parents and families our finalised Ofsted report. It was lovely to read the inspector's comments about our school and our children's experience here. We're also enormously pleased with the incredibly positive parent feedback that you shared too. We're especially proud of the opening line 'Perranporth School is a wonderful place to learn.' which is certainly what we all work towards each day. Once again, thank you for all of your support.

If you've not managed to see the report yet, please click on this link: [Perranporth-Community-Primary-School-Final.pdf](#)

Perranporth Community Primary School - The G.R.E.E.N. Curriculum

Growing - Relevant - Environment - Engaging - Nurture

This week children in Year 3 have been **Growing** their confidence in the local **Environment** by spending time on the beach learning surfing skills. The class had a fantastic time with the instructors from Perranporth Surf School, learning different skills and techniques to catch the waves and stay safe in the water. All of the children and adults had an absolutely brilliant time and a number of children even managed to stand up whilst surfing in towards the beach too! We'd like to share a huge thank you to Perranporth Surf School for all of their support and a big well done to Year 3 for really throwing themselves into the day and enjoying the experience!

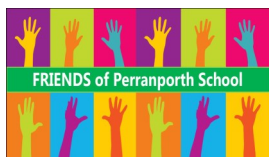

Breakfast Club - Price Increase - Sept 24

We wish to inform parents that from September 24, it will be necessary for us to increase the price of our Breakfast Club sessions to £4. We have not increased our Breakfast Club fees in the entire time the club has been in existence (since 2017), but unfortunately the operation costs have significantly increased during this time and so the change in pricing is necessary in order to keep the provision viable.

FOPS - Book Donations

As parents will know, Perranporth School loves reading! Our children have lots of different reading opportunities each day and can often be seen engaging with this very important aspect of learning. Unfortunately, this commitment to reading means our books have quite a hard life and need replacing and refreshing on a regular basis.

We know that lots of children out grow their books or don't always want to re-read ones that they have finished outside of school. So, FOPS were hoping that some of our wonderful families might be happy to donate any good quality used books to our school library in order to replenish our stocks. It is important that the books are in good condition, appropriate for primary aged children and ideally fiction based (story books). We will then code the books according to our Accelerated Reader system. If you would like to check that the books are AR compatible, you can follow this link and add the title: [Accelerated Reader Bookfinder UK & Ireland - Quick Search \(arbookfind.co.uk\)](http://arbookfind.co.uk)

Any donations can be dropped off at the School Office. Thank you for your support.

Join our Patient Participation Group

Perranporth Surgery - Patient Participation Group

Do you have a couple of hours every other month to spare, and want to be involved in a group that supports our local GP practice by providing 2 way communication and feedback from the local community and is proactive in promoting the

health and well being of all members of our community? We are looking for parents and carers of young children so that your views can be heard. If interested please email: perranporthsurgeryppg@gmail.com or speak to Mrs Richards in Year 1. Many thanks.
