Year 5 Ancient Historians

This week our Year 5 children showed themselves to be brilliant ancient historians as they made a trip to Truro Museum. The children have been **Engaging** with their History learning around Ancient Egypt and managed to discover a huge amount of **Relevant** information for their topic whilst they were there. Children witnessed a demonstration of an Ancient Egyptian mummification, they discovered and handled real artefacts that were over 4000 years old and the children saw a real mummy! It was an incredible learning experience that will no doubt provide them with loads of helpful support in their history work ahead!

Cycling Around School

Please can we strongly request that children and parents do not cycle on the school grounds or leading from the school until parents are sure it is safe to do so.

Earlier this week we received a complaint from a very upset driver who had a near miss as a child rode their bike from the school onto Hendrawna Meadows road and hit the car with the cycle. This could have been a terrible accident which we obviously very much want to avoid. The roads around school are busy and it is simply not safe for children to cycle unsupervised.

We very much support families cycling to and from school, but please ensure children push their cycles around the school site until parents are sure it is safe for them to ride. Many thanks.

Aspirations Day - Support Still Needed

We still need more parent and family volunteers to come along for our Aspirations Day on 23rd Oct (in the afternoon). If you are willing to speak to our children about your role, job or something you've achieved, we would love to hear from you! If you helped us last year and would be willing to come again that would be great too (you can always speak to a different class)!

Please let your child's teacher know if you can help!!

Lost Property

We have accumulated an enormous amount of lost property collected in the wooden Waiting Shelter. Most of this is school jumpers and fleeces that are not named so that we cannot return them.

Please can we encourage parents to always name their child's items of uniform and to have a good look in Lost Property to claim any items. Many thanks.

A poster for the 'Love Rugby Festival' for Year 5-7 girls. The background is a photograph of two girls playing rugby on a grassy field. One girl in a blue and green kit is holding a Gilbert rugby ball, while another girl in a grey hoodie is tackling her. The text is overlaid on the image.
