

Perranporth Secondary School

We heard some very disappointing news today regarding the building of Perranporth's new secondary school.

I have a communication to share with you from Jan Woodhouse who has been managing the project on behalf of the Trust.

'You may have heard that the Government has announced a review of Freeschool projects on the basis of "demand and value for money".

This morning we received confirmation that this review included Perranporth Academy. I know this delay will be very disappointing for families, especially when building work was due to begin imminently.

We will continue to update the community via our website

(www.perranporthacademy.com). We do not currently have a timescale for the Government review or when a final decision will be made. Parents who would like to write in support of Perranporth Academy may wish to contact our local

MP Perran Moon: perran.moon.mp@parliament.uk or Cornwall Council: schooleffectiveness@cornwall.gov.uk.

We would be very grateful for your help in ensuring that those making the decision are fully aware of the strength of local support for this much needed investment in our children's future.

Many thanks for your continued support. Jan

One of our very kind and proactive parents has put together a letter to Perran Moon, our local MP sharing our collective view. The link below takes you to this letter which parents can then simply enter your name as a sign of support. This can then be shared with the MP on your behalf to communicate the strong feeling in our community about this terrible news. Please join us and also feel free to share the link with others in your family and friendship groups.

Many thanks

Bags2School Collection

Our first Bags 2 School collection is scheduled for Tuesday 5th November, straight after half term! If you are having a clear out and have any items to donate, please bring them along to school in bin bags on this day. The items are then weighed and collected which raises funds for FOPS! The **blue** items below are all fine for donation. Please don't send any of the **red** items. Many thanks for your support!

Please Donate

Clothes

Paired shoes

Handbags

Hats

Duvets and blankets

Pillows and cushions

Carpets, rugs and mats

Bags

Scarves and ties

Bras

Jewellery

Soiled, painted, ripped or wet clothing

School uniforms with and without logo

Corporate clothing and workwear

Socks

Belts

Textile off cuts, yarns or threaded material

Furniture and large items

Batteries

Perranporth Community Primary School

LEAP - Learning - Engaged - Aspiring - Pride

LEAP - Aspirations Day

On Wednesday this week we held our **LEAP** Aspirations Day! To support our children in broadening their aspirations and career ideas for the future, a number of different parent speakers kindly gave up their time to share their experiences and inspiring roles. It was a wonderful experience for us all and such a brilliant afternoon. The children heard all about what it takes to be an author, a marine biologist, a doctor, a helicopter navigator and flight instructor, an aerospace expert, a musician and fashion writer, a fire fighter, a National Trust Ranger, a geologist as well as a double world champion paddleboarder! What an incredible line up of inspiring people all from our parent community!

We'd like to share an enormous thank you to all of the parent volunteers for presenting such interesting and engaging discussions and for giving up their valuable time for us. Thank you!

Perranporth Community Primary School

Nut Free School

Please can we remind parents that Perranporth is a 'nut free school'. We have several children in our school with severe nut allergies, so it is very important that children do not have nuts or nut items as a snack or in their pack lunches. Many thanks for your support.

Job Opportunities!

x2 Wraparound Care Practitioners

We are looking for two new members of staff to join our team!

Perranporth Community Primary School is an ambitious and caring school always striving to improve and provide the very best in teaching and learning for all our pupils.

We are expanding our current care provision to encompass an afterschool club and are looking for two dedicated and enthusiastic practitioners who are calm and nurturing, with an aspirational mindset, to support the running of this club from 3:15pm until 6:00pm Monday to Friday (term time only).

The appointed candidates will be flexible and have the best interests of our wonderful learners at heart. Perranporth's Wraparound Care is an after-school club that has a focus on fun, offering engaging extra-curricular activities on site. Experience in planning engaging activities for children from the ages of 4-11 is desirable. Experience working with children is essential. We are looking for candidates with positive attitudes and enthusiasm, who are proactive in making the afterschool club as great as it can be.

Please follow this link to apply: [Wraparound Care Practitioners x2 TPAT ConnectED \(ourhub.io\)](https://ourhub.io)

October Half Term

Just a reminder that we break up for the October Half Term today. We have an INSET Day after the half term, so children aren't due back into school until **Tue 5th Nov.**

Perranporth Equestrian Team

This week we celebrated the amazing news that Perranporth School Equestrian Team won the Goonbell Riding Centre Primary Schools Championship! Jessie, Lucy and Agnes from Year 5 represented Perranporth in this very prestigious event, wowed the judges and made us all enormously proud by achieving first place! They had some help from Blue and Barney of course, who also did a marvellous job as their equine partners! We'd like to say a huge well done to team for such an incredible achievement!
