Learning - Engaging - Aspiring - Proud

Fantastic Footballers!

This week we were very **Proud** of our Year 5 and Year 6 Girls Football Team! The team headed off to Treviglas Academy on Wednesday afternoon for a five-a-side tournament against the schools from across the Newquay area. The teams played several qualifying matches and the girls showed real skill and strength. This meant that they qualified into the Silver League. The second half of the afternoon pitched the other teams in this league against one another. The level of competition certainly went up a notch at this point, but the Perranporth Team were a good match for it. The team scored several goals and won several matches too with every player giving maximum effort. Perranporth finished the tournament in a very respectable third place overall with everyone having a fantastic afternoon of fun and competition! We'd like to share a huge well done to the team!

The Rocketeers!

This week, to support their science learning on Space, the children in Year 5 and Reception Class had a science lessons that were quite literally out of this world! Mr Williamson, a Physics teacher from Truro School, came to talk to the children all about space and much more. They learned about the life cycle of a star and then made their very own rockets and launched them across the field! It was an incredibly Engaging afternoon's learning and really nurtured the children's enthusiasm for this incredible subject! We'd like to say a huge thank you to Mr Williamson!
