Stamp and Go

This week we have been preparing for our upcoming Cornwall Week by inviting local vocal group Stamp and Go to perform! The group gave a very **Engaging** performance which not only supported our children in appreciated traditional Cornish songs, but also aspects of our music curriculum too. The performance ended with our children and Stamp and Go singing one of Perranporth's favourite songs, Cornwall My Home together! It was a truly magical moment. We'd like to share a huge thank you to Stamp and Go for such a special afternoon. Thank you!

Year 6 Miners

To support their learning about the history of Cornish mining, Year 6 took a trip to Geevor Tin Mine this week. The children had a brilliant time learning some very **Relevant** information all about the operation of the mine, the roles the miners would have and the history of the mining industry too.

All of the children thoroughly enjoyed the experience and will now be able to put their learning to excellent use back in the classroom as their mining topic continues.

WORLD BOOK DAY

World Book Day - Friday 8th March

As St Piran's Day is so very important to our school, and we don't want to hold two celebration days in one week, we are therefore celebrating World Book Day on Friday the 14th March. On this day children can come to school dressed as a favourite book character. One child from each year group will win a trip to Waterstones in Truro to choose a book of their choice for the best 'DIY costume'. The winning costumes will be free or very cheap to make and created using garments/ items already owned or made from recycled materials. The children will also be taking part in fun reading activities during the day like our 'Reading Roundabout' and lots more!

To tie in with our celebrations of World Book Day we are inviting children to take part in our 'Book Scene in a Box' competition. All children need to do to take part is to create a book scene inside a box and bring their creation into school on Friday the 8th March. The boxes should be no larger than a shoebox size, but could be any box you like, a cereal box, tissue box, even a tiny matchbox! There will be a prize for the best creation from each class.

Perran Moon MP Visit

Our School Parliament members gave a brilliant account of themselves this morning asking our local MP Perran Moon some brilliant questions. Mr Moon joined us for a special morning assembly after our Year 5 children wrote to invite him along so that we could find out about his role and what he can do for our community. We were also keen for any news on the planning review of the proposed Perranporth Academy.

Mr. Moon told the children lots of fascinating information about life as an MP and the government workings too. He also tried to reassure us that the new Perranporth School was still in the review process and that he was fully behind trying to ensure the project goes ahead and meets the government criteria. He is hopeful of returning in the coming months with any further updates. Please have a look on Dojo for a video recording of his response.

We'd like to share a thank you to Mr Moon for coming to speak with us and a huge well done to Year 5 and our School Parliament member for the involvement too.
